Celebrating Ms. Newburn

It is exciting to share with you that Pierpont is the home to the March Teacher of the Month. Pierpont's very own Ms. Mary Louise Newburn was honored by the Ventura Commerce and Education Foundation as the Teacher of the Month. Ms. Newburn, brings more than 15 years of experience to her third grade classroom and is providing students with a strong academic foundation through a variety of teaching methods including incorporating new technologies into her instruction and working to help students build positive social skills. Beyond the classroom, her efforts include providing additional supports for students facing homelessness or poverty as well as expanding her own knowledge through ongoing research and attendance at numerous classes and workshops. Ms. Newburn is a highly effective teacher who provides her students with the resources they need to reach their full potential. To celebrate her amazing work, business members from throughout our community, along with Superintendent Dr. Michael Babb, were on hand to recognize Ms. Newburn and present her with this award. Please join us in celebrating Ms. Mary Louise Newburn as the March Teacher of the Month!

Spring Photos—April 6th

Spring photos on the beach are back! Many families enjoyed having their child's photo taken on the beach last spring. We will be having spring photos again this year on the beach. Based on parent feedback, we will be changing the way photos are ordered. We will only be taking photographs of students who bring an order form and payment on the day of pictures. Please watch for an order form and make sure to send it with your child if you would like their picture taken.
