Announcements

BRRR... Cold Weather Dress Code

We are finally getting some cold weather! This is your friendly reminder that pajamas, slippers and blankets are NOT allowed. Enjoy these cold weather items at home.

Emergency Drills

Every year we practice fire, earthquake and lockdown drills. DATA students and staff always do a great job! There will be a drill this week - the date and time will not be revealed because we want you to practice it being as realistic as possible. A few reminders about emergency situations and drills:

1. Listen to all teacher directions carefully - take drills serious as if it was the real thing.
2. If we practice evacuating, be respectful in the hallways. 0-1 voice level, keep your body to yourself, use respectful tone and language, be aware of your surroundings.

Attention all students: The annual 8th grade girls' volleyball team vs. staff volleyball game is scheduled to take place this Thursday, October 12 right after school in the gym. One dollar will get you in the door to see all the action and get you a mile pass as well. That's right! When you pay your dollar at the door and get your name checked off by your P.E. teacher, you will automatically receive a mile pass. There will also be snacks and food for purchase inside the gym. Show up and cheer on your favorite staff member or 8th grader as they battle for the ultimate volleyball championship. If you have any questions, see Mr. Anderson in the boys' P.E. office

FREAKY FRIDAY Dance! Our first dance of the year is coming up on Friday the 13th! It will be a fun afternoon of music, dancing, food, games and a haunted hallway! The dance will take place after school in the cafeteria from 1:45- 3:30. Tickets are on sale now during lunch! A dance ticket is only \$3. Upgrade to a party pack for \$5, which includes food/drink.

Library News

Win Prizes in the Library!

Our first contest of the year is on! Stop by and guess the number of acorns, pinecones, and leaves in our display. Closest guess wins. We'd also like help naming our coin eating machine. If you're good with names, submit your idea. Cleverest name wins.

Don't let reading scare you...

Or maybe you're looking for a good spooky book to send a few chills up your spine. Celebrate Spooktober with us! Come in and peruse our spine-tingling titles.

DATA Book Review Club

Thanks to everyone who showed up for our meeting Wednesday. If you missed it, it's not too late. We'll see you in the Library at lunch, this Wednesday.

Imagination Station Makerspace is up and running. We will have Lego and other building sets this week. Imagination Station will be open Monday-Wednesday next week.

Scholastic Book Orders

October book orders are due Friday, 10/20, the day before fall break. Catalogs are available in the library, but you can also order online using the code: DND47.

Book Checkouts and Fines

If you owe money or books to DATA Library or any other school library, you will not be able to go to the dance.

Wanted: Poets

Are you a poet and you don't know it? (Or maybe you do know it.) If you like to write poetry, or just want to try your hand at it, the Ventura County Arts Council and the Avenue Library are hosting a poetry contest. Prizes include Visa gift cards. Submissions are due October 31st, and there is a poetry workshop at Avenue Library on October 11. If you're interested, stop by the DATA Library for more info about the theme and submission guidelines.

Laptop News

Tip of the Week

Laptop Goods

If you are a 7th or 8th grader and your case is in bad shape, you can purchase one of the brand new 6th grade cases for \$25. Don't forget, you can get 6th grade straps for \$2 and wireless mice for \$10-12.

Garden Club - It's not too late to join! Grab your lunch and meet in the garden on the far side of the A wing.

Video Club - Our first meeting will be this week at lunch in the Library. Get your lunch, and come on over.
