## Library News

### Library Closed

We will be closed at nutrition today UNLESS you need laptop help, plan to turn in a book or pay a fine.

### Are you a winner?

Quiz much? For the rest of quarter 2, we'll be randomly drawing names of anyone who passes an AR quiz during the week. Congratulations to last week's winners: Maya Burton, Maritza Lopez Ruiz, and Ethan Wilby. Come collect your prizes in the Library.

### Read to Succeed

Sixth grade readers, you can earn a Magic Mountain ticket to use next summer by reading and logging your hours. It only takes 6 hours of reading to qualify, so stop by the Library to get your reading log and parent letter.

### Holiday Sale

It is almost time for our first holiday library fundraiser sale to earn money for DATA Library and we need your help! Here's how you can participate:

- Donations of:

- gently used accessories (scarves, purses, jewelry), knickknacks, decorative and household items
- fabric, thread, yarn
- Making crafted and sewn items to sell (community service opportunity)
- Working at the sale (community service opportunity)

If you'd like to help with making things or working at the sale or if you have donations, please come to the Library. If you know how to knit with a hand loom, you can earn community service by working at home. We'll provide the looms and the yarn.

### **Imagination Station Makerspace**

Sewing is in full swing. Learn how to use a sewing machine and create your own handcrafted items. You can even earn community service by making items to sell at our holiday shoppe. If you get certified to work on a machine on your own, you can pick your own project. What will you make today?

### **Scholastic Book Orders**

December book orders are due Friday, 12/22. Catalogs are available in the library. Use this code to order online: DND47.
