**CONFERENCE AGENDA**

**Ventura Unified School District 2018 California Dashboard**

Dr. Rene Rickard, Director of Assessment, Accountability and Program Evaluation, provided overview of the Ventura Unified School District’s progress on the 2018 California Dashboard.

**Low-Performing Students Block Grant**

Dr. Danielle Cortes, Assistant Superintendent Educational Services noted that the Low-Performing Students Block Grant Funding was designed to help address the achievement gap for all students. She noted that “Low-performing” is defined by the California Department of Education (CDE) as students not meeting academic achievement standards. Funding description from CDE indicates students identified as low performing on state English language arts or mathematics in 2016-17; students who are neither identified for special education services nor identified as low income, English learner or foster youth. Preliminary entitlement of $851,666 may be expended through 2020-21 and used for evidence-based services that directly support student academic achievement and professional development for certificated staff.
VUSD Information Night and School of Choice – January 17, 2019
Dr. Cortes, Assistant Superintendent of Education Services noted that an Information Night will be held and all VUSD schools will be represented on Thursday, January 17, 2019. Per Education Code 35160.5 schools of choice is available to students who currently reside in the Ventura Unified School District boundary to those schools with the capacity to accept additional students. The capacity of the schools is calculated in a non-arbitrary manner using pupil enrollment and available space. The student selection is done through a random unbiased process, and not based on first-come-first-served basis. Submission of School of Choice application is required for all students including sibling. Information provided on the District web page under the Education Service Division.

Electronic Enrollment Update
Mr. Kurt Sowa, Chief Technology Officer, provided update on the committee’s progress to offer electronic enrollment. He noted that the committee visited four other school districts for purpose of comparing offerings. VUSD’s preliminary approach will be to use the decentralized electronic system; pre-enrollment, re-enrollment to include the 1st day packet. In moving forward, a campaign will begin to first encourage parents to access their student information using Q parent connect. At this time, only 17% of VUSD parents utilize Q. The committee will continue to campaign to increase parent awareness of Q Connect; to inform parents on utilization of Q, refine a new process and continue evaluating with goal to fully implement electronic enrollment by 2020.
