23. **Revisions to Exempt Salary Schedule**

The Board of Education approved the attached changes to the Exempt salary schedule. Effective January 1, 2020 the State of California has mandated an increase in the minimum wage. The minimum wage will increase from $12.00 to $13.00 per hour. Therefore, it is necessary that the Exempt Salary schedule reflect this change. In addition, obsolete titles are being deleted, new titles are being added and some hourly rates are being adjusted to accommodate current exempt needs. These changes will take effect immediately and the minimum wage increase will take effect January 1, 2020.

24. **Winter Recess Leave for Classified Employees**

There are some District Classified employees who are scheduled to work through the Winter Recess. Some of these employees do not have vacation or other discretionary leave time available to them.

It has been a practice for these few individuals to take leave without pay during the Winter Recess, but not lose pay for the holidays (December 23, 27 and 30 and January 2 and 3) due to the fact they are not in paid status the day before or the day after a holiday. This has the potential of cost savings to the District but does not deprive the employee of credit for the holidays.

The Board of Education provided this opportunity to Classified employees again for the 2019-2020 Winter Recess with the understanding that any leave time must be approved in advance by the employee's supervisor.

Ventura Unified School District renewed agreements with the City of San Buenaventura to provide the services of Ventura Police Department school resource officers at District schools, and with All City Management Services contracted by the City of San Buenaventura to provide crossing guard services for District schools. The Board discussed the SRO salary cost to the district. Board approved both agreements, which are effective July 1, 2019 to June 30, 2020.

26. **Student Teaching and Practicum Agreements**

The District enters into agreements with universities and/or agencies for student teaching experience, and internships for teachers, counselors, psychologists, occupational therapists, physical therapists and speech therapists. The District credentials analyst assigns students to District schools. Board approved the ratification of the agreements listed.
