Voters approved the parcel tax extension initiative with 75% voting “yes”, well above the 66% requirement for passage. As a requirement of the ballot language, the Board was responsible for the establishment of a citizens’ committee to provide oversight and accountability on expenditures funded by Measure R, and to ensure funds expended are consistent with the ballot language. The District panel, consisting of Betsy George, Assistant Superintendent, Business Services; Dave Marshall, Director of Facilities Services; Genevieve Gilmore, Director of Purchasing and Terri Allison, Facilities Planner, reviewed and scored all responsive RFPs. The District panel then conducted interviews with the four highest ranking firms, with consideration for cost and accumulative score. The District believes that PBK Architects, Inc. meets the criteria set forth by the RFP, exhibits a thorough understanding of the District’s intention for the Long Range Master Facilities Plan, and has communicated a methodology that instills confidence in their capabilities.
