JUNIPERO SERRA ELEMENTARY SCHOOL

PRINCIPAL'S MESSAGE

Welcome to Junipero Serra Elementary! Our school accountability report card shares with parents and the community valuable information about the school's achievements, curricular practices and programs, and quality of professional staff, student services, and learning environment. Comparative district and state information is provided in some areas.

Administrators, teachers, and support staff fulfill their challenging responsibilities with a great deal of pride and commitment. We trust you will find Junipero Serra Elementary to be a safe environment where students are given every opportunity to enjoy learning and to perform at the highest levels possible.

We encourage family and community partners to join alongside us as we celebrate academic growth and positive character traits. Expectations are higher than ever for our students. As a team, we need to encourage our students to do their best and strive for excellence.

District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy and high performing schools.

We will:

Inspire all students to excel academically,

Honor the unique qualities and diverse backgrounds of all students,

Build supportive relationships,

Guide all students to reach their full potential,

Motivate all students to successfully pursue their chosen life paths, and

Engage all students to become responsible and contributing members of society.

District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a life-long passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

DISTRICT & SCHOOL PROFILE

Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. More than 17,000 students in grades kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, 3 comprehensive high schools, 1 continuation high school, and 3 alternative high schools.

Junipero Serra Elementary School

Junipero Serra Elementary School serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2012-13 school year, 559 students were enrolled, including 5.5% in special education, 7.7% qualifying for English Language Learner support, and 42.8% qualifying for free or reduced price lunch. Junipero Serra Elementary School achieved a 2013 Academic Performance Index (API) score of 843.

Percentage of Students by Ethnicity/Grade Level 2012-13			
Ethnic Group	%	Grade Level	#
African American	0.5%	Kindergarten	89
American Indian or Alaskan Native	0.7%	Grade 1	95
Asian	2.3%	Grade 2	84
Filipino	0.5%	Grade 3	96
Hawaiian or Pacific Islander	0.4%	Grade 4	103
Hispanic or Latino	41.9%	Grade 5	92
White (not Hispanic)	49.9%	Grade 6	-
Two or More Races	3.8%	Grade 7	-
		Grade 8	-
		Total Enrollment	559

Unique within the district's schools, Junipero Serra Elementary is the only school to offer an extended-day kindergarten program. The school takes great pride in its parent volunteers, dedicated staff, and wonderful students. Strong community support and school spirit create a cohesive, family atmosphere.

Two of the Junipero Serra Elementary's classrooms are dedicated to before and after-school day care provided by the Los Posas Child Care Program. Students may arrive one hour before school starts and remain for after-school supervision until 6:00 p.m.

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through ConnectEd, Zangle (web-based student information system), the school marquee, flyers, and PTA newsletters. Contact the school office manager (Pam Oestreich) or the principal at (805) 672-2717 for more information on how to become involved in your child's learning environment.

Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results web site at <http://star.cde.ca.gov>.

STUDENT ACHIEVEMENT

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs), the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven.

Physical Fitness

In the spring of each year, Junipero Serra Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well.

Schools/subgroups that have achieved an API of 800 or above must maintain their scores. **Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

Adequate Yearly Progress Results Reported by Indicator and Compared to District Performance 2012-13		
Did the school and district meet or exceed 2013 AYP performance criteria in each of the areas listed below?

Math	No	No
API	No	Yes
Graduation Rate	N/A	Yes

Number of Criteria Possible		

For the 2012-13 AYP cycle, elementary and middle schools must achieve a 89.2% or higher proficiency rate in English/Language Arts and 89.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 740 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) web site www.cde.ca.gov/nclb/ and the U.S. Department of Education's web site www.ed.gov/nclb/accountability/.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2012-13, Junipero Serra Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

The statistical information in this table reflects the PI status during the 2013-14 school year.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's web site www.cde.ca.gov/ta/ac/ti/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Junipero Serra Elementary School's original facilities were built in 1966; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2012-13 Campus Improvement Projects

- Asphalt repairs

2013-14 Planned Campus Improvements

- Installation of a new computer lab with notebooks

Every morning before school begins, the principal and day custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Junipero Serra Elementary School. The day custodian is responsible for:

- General Cleaning and Custodial Functions
- Restrooms
- Cafeteria Setup/Cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Office Areas
- Restrooms
- Routine Maintenance

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Junipero Serra Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2012-13 school year, Junipero Serra Elementary School did not receive deferred maintenance funds for campus upkeep.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Junipero Serra Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in November 2013.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Facilities Inspections

The district's maintenance department inspects Junipero Serra Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Junipero Serra Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on October 30, 2013. During fiscal year 2012-13, all restrooms were fully functional and available for student use.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and teachers are strategically assigned to designated entrance areas and the playground. During recess, the principal and teachers supervise playground activity. Noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, teachers, and health technician monitor student behavior to ensure a safe and orderly departure.

Junipero Serra Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Junipero Serra Elementary School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. At the beginning of the school year, the principal leads an assembly to reinforce expectations to be respectful, responsible, and safe. Junipero Serra Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

CURRICULUM & INSTRUCTION

Staff Development

All curriculum and instructional improvement activities at Ventura Unified School District are aligned to the California State Content Standards and Frameworks and Common Core Standards. Staff development concentrations are selected and identified based on NCLB requirements and Common Core Standards implementation. Findings from formative assessment results, DIBELS, SRT, and IDEL indicate that reading, writing, and math are the primary focus areas.

Staff Development Days Three-Year Trend		
2010-11	2011-12	2012-13
2	2	0

During the 2012-13 school year, Junipero Serra Elementary participated in staff development training focused on:

- Common Core Standards
- Daily Five
- Performance Based Assessments
- Writing Benchmarks

Site-based training at Junipero Serra Elementary takes place throughout the school year at staff meetings and after school on early release days. During the 2012-13 school year, school staff focused training efforts on grade level collaboration and Common Core Standards.

The district supplements site-level professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. During the 2012-13 school year, professional development was offered related to Common Core State Standards, Grading Policies, Bullying Prevention Policy, and Cultural Proficiencies. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

Ventura Unified School District and the Ventura County Superintendent of Schools jointly support new and veteran teachers in developing their teaching skills through the Beginning Teacher Support and Assessment (BTSA) program and the Peer Assistance and Review (PAR) program. BTSA is a state-approved program that offers first and second year teachers comprehensive support and training for new teachers with a preliminary credential; after successful completion of the two-year BTSA training, teachers may apply for their clear teaching credential. PAR is available for veteran teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

Instructional Materials

All textbooks used in the core curriculum are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On September 24, 2013, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #13-25 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2013-14 school year, Ventura Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

PROFESSIONAL STAFF

Teacher Assignment

During the 2012-13 school year, Junipero Serra Elementary School had 27 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the adjacent table, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Counseling & Support Staff

Junipero Serra Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table below illustrates the availability of non-instructional support staff to Junipero Serra Elementary School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Expenditures Per Student

For the 2011-12 school year, Ventura Unified School District spent an average of \$7,782 of total general funds to educate each student (based on 2011-12 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
