Ventura Unified School District

VUSD is committed to using technology.

**Here are a few things to keep in mind so
you can stay safe.**

I will use technology resources
responsibly.

Follow teacher directions

**Tell an adult if something
makes you feel
uncomfortable**

I will use technology resources ***safely.***

Protect Passwords

Protect Private Information

I will use technology *respectfully*.

Treat equipment with care

Show respect for the work of others

Use kind words

I will use technology resources in a manner that respects the ***intellectual property of others.***

Do your own work

Always ask before you use someone else's work

Tell when you use pictures or words that are not your own.
