Happy New Year

As we start our new year, here are some friendly reminders:

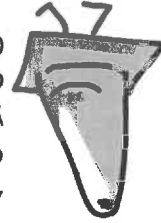

1. Cold and flu season is here. Please remember if your student has a fever to keep them home until they have been fever-free for 24 hours without fever suppressing medication.

2. Please plan family vacations and appointments outside of school hours so that students do not miss this valuable instruction. We are working towards a goal of 98% attendance.

3. Please do not park in red zones, yellow loading zone or in front of neighbors gates for drop off

4. Please only drop off students in the yellow loading zone on New Bedford Court.

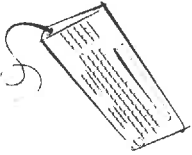

Technology Update

Hardware: This year we will be working to increase the use of technology on campus. With the help of the Ventura Unified School District Technology Department, and the generosity of the Pierpont PTA, we have 3 laptop carts, each with 20 laptops, arriving shortly at Pierpont.

Software: The Ventura Unified School District has purchased a typing program for our students. It is recommended for students in the third grade and higher. The program can be accessed at:

www.typingtraining.com

This program is web-based and 5th graders can get their log-in information from their teachers.

Garden Work Day: January 31st

While your student is attending Saturday School on January 31st, grab your gloves and simple garden tools and join us for a work day in the garden from 8am-12:30.
