

# Pierpont Elementary School Traffic Update

## Quick Reminders

- Beach property is tight and space is limited. To make the best of our amazing location we need everyone's help in following the rules.
- Observe speed limits.
- Be courteous.
- Enter on Martha's Vineyard and exit on New Bedford court.
- Avoid dropping off and picking up in the bus zone, staff parking area, or on Martha's Vineyard Court.
- Do not stop AT ANY TIME in red zones or under "no parking" signs, even if you are in the car.

## Yellow Curb:

- The pick-up/ drop off area is on New Bedford Court, indicated by a yellow curb.
- Pull up to the very front of the zone to allow cars to pull in behind you.
- Stay in your car at all times when in a yellow zone.
- Spend a maximum of 3 minutes in the yellow loading zone; please keep the loading zone moving.

Dear Pierpont Families,

Please review Pierpont's traffic pattern for picking up and dropping off students. While this time can be hectic, the best thing we can do for our children is to continue to be patient, be kind, and follow the traffic pattern. Problems arise when people don't follow these guidelines, even if it is just one person. We appreciate your help in making the safety of our children all of our responsibility and priority. This traffic pattern was developed several years ago to help keep our students safe and manage our traffic needs. Ventura Unified, the Ventura Police Department and the City of Ventura have been working together to improve signage and extend the yellow loading zone on New Bedford Court to make our tight space easier to navigate. Your cooperation in observing the rules will keep our children safe and make the pick-up/drop-off routine easier and faster for all. My recommendation is that you either arrive early to park outside of the loop and walk in, or utilize the yellow loading zone on New Bedford Court, following the guidelines for this zone on the left side of this page. Thank you for your help.

Sincerely,  
*Katie Tedford,*  
Principal

## Traffic Pattern

### Key:

- ⊘ -do not stop or park here at ANY time
- 😊 - pick up / drop off only (3 min. max—stay in car)

## "So where do we park?"

Space is tight at Pierpont. There is not front space parking for all of our families. If you want to park and escort your kids you may need to walk. If you want to park and walk in:

- Come early.
- Park legally and check city parking signs and / or curb paintings.
- Park on Pierpont Blvd and walk.
- Park on Peninsula St. and walk.
- Park in the LIMITED spaces across the street from the school with white curbs.
- Do not block the gates or driveways of our neighbors.
- Leave staff parking and handicapped parking for those it is intended for.
- Support the crossing guard.
