## PRINCIPAL'S MESSAGE

DATA Parents, Students, and Community Members:

It is with great honor that I am principal for the 2019-2020 school year, and I cherish this opportunity to welcome you to a new school year. Positivity and excitement are in the air. As you know, DATA values our instructional programs, academic achievement, school safety, facilities, and staff. DATA is the place to be with exceptional programs that offer 21st century curriculum including technology supported by Project-Based and Universal Design Learning, S.T.E.M. (Science, Technology, Engineering, and Mathematics), Arts and Music. The Ventura Unified School District's promise is to help children in our schools find their passion-academically and personally-believing that each child has a brilliant future; thus, we work diligently to make this vision a reality at DATA with creative and innovative ideas for the needs of ALL children.

My vision for DATA is to provide equitable access to all students and celebrate "Small" and "Big" victories collaboratively with parents, staff, and our community. We set high expectations for our-selves as educators, our students, and each other by creating a culture that promotes growth in an environment rich with resources.

DATA is rooted with pride in teamwork and uses this powerful force to create a safe learning environment that promotes academic excellence and social development.

We appreciate your efforts as you help us create future-ready, responsible, successful, caring citizens. Please know that par-ents, guardians and friends of DATA are always encouraged to get involved in all DATA organizations, including ELAC, School Site Council, Parent Workshops, and Volunteer opportunities.

I look forward to meeting and positively interacting with all DATA connected individuals as we work to become the best middle school in Ventura County with model programs that honor and cele-brate our victories.

Respectfully,  
Marissa Cervantes  
Principal

### District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

### District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

# DISTRICT & SCHOOL DESCRIPTION

## Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. More than 16,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

## De Anza Academy of Technology & the Arts

De Anza Academy of Technology & the Arts serves students in grades six through eight following a traditional calendar. At the beginning of the 2018-19 school year, 839 students were enrolled, including 14.8% in special education, 26.5% qualifying for English Language Learner support, 5.7% homeless, 0.8% foster youth, and 71% qualifying for free or reduced price lunch. De Anza Academy of Technology & the Arts is a recipient of the Universal Meals Program, a federal grant that provides funds to offer free breakfast and lunch for every student.

DATA is a Magnet Middle School offering 21st Century curriculum including technology infused learning, project based learning, Visual Thinking Strategies, S.T.E.M. and thriving Art and Music Programs. Teachers align their Classroom Environments with Real World Environments emphasizing on: Critical Thinking & Problem Solving – Communication – Collaboration – Creativity & Innovation.

We offer many clubs on campus, from Builder's Club, which does community service projects with the local Kiwanis, to the Spanish Club, Anime Club, ASB/leadership, and more!

DATA leads the pack in integrating the Common Core standards by instituting PBL across the campus. Students answer a guiding question as they go from science, to English to PE and beyond. It challenges them to build their own learning and connect the ideas they learned in one place to the application of that knowledge in another. It is truly a career minded education all students will need to enter the workforce. It also happens to be a fun and engaging way to learn!

## School Mission

De Anza Academy of Technology and the Arts (DATA) is a high achieving and innovative magnet school where students, community, and staff collaborate in authentic learning experiences. Together, we support an inclusive environment focused on relationships in order to develop skills for a global society.

## School Vision

De Anza Academy of Technology & the Arts (DATA) is a place of opportunity for all students to reach their highest potential as students and responsible members of our diverse community. Students, parents, faculty, and staff are vital participants in the learning process. DATA has a safe, nurturing, and respectful environment where teachers have the right to teach, students have the right to learn and parents have the responsibility to participate. Students, parents, and staff will work together to ensure all students are successful.

# LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

State Priority 1: Basic (Conditions of Learning)  
The SARC provides the following information relevant to the State priority:

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and school facilities are maintained in good repair.

State Priority 2: State Standards (Conditions of Learning)

The SARC does not cover any of the requirements of State Priority 2.

State Priority 3: Parental Involvement (Engagement)

The SARC provides the following information relevant to the State priority:

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

State Priority 4: Pupil Achievement (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority 5: Pupil Engagement (Engagement)

The SARC provides the following information relevant to the State priority:

- High school dropout rates
- High school graduation rates

State Priority 6: School Climate (Engagement)

The SARC provides the following information relevant to the State priority:

- Pupil suspension rates
- Pupil expulsion rates
- Other local measures on the sense of safety

State Priority 7: Course Access (Conditions of Learning)

The SARC does not cover any of the requirements of State Priority 7.

State Priority 8: Other Pupil Outcomes (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

- Pupil outcomes in the subject area of physical education.

## PARENT INVOLVEMENT

Parents are encouraged to be involved in their child's learning environment either by volunteering in the classroom, participating in an advisory or decision making school group, or simply attending school events. Parents stay informed on upcoming events and school activities through our Edulink mass call/email system, the school website, our online calendar, flyers, the school's social media pages (Twitter, Facebook, Instagram), PTA Facebook page, ASB Twitter account, the weekly online school bulletin, and Parent Q Connect. The family liaison contacts parents individually for more direct issues concerning a student or students. Contact the family liaison at 641-5165 for more information on how to become involved in your child's learning environment.

## STUDENT ACHIEVEMENT

### California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students

in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

## Physical Fitness

In the spring of each year, De Anza Academy of Technology and the Arts is required by the state to administer a physical fitness test to all students in seventh grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

California Physical Fitness Test Results 2018-19			
Grade Level	% of Standards Met:		
	4 of 6	5 of 6	6 of 6
Seventh	18.9%	19.5%	25.8%

*Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. De Anza Academy of Technology & the Arts's original facilities were built in 1956; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Campus repair and/or improvement projects for 2018-19 and 2019-20 include the following:

2018-19 Completed Projects:

- Re-level and upgrades to the athletic field
- Addition of a new mural to the front of the campus

Every morning before school begins, school administrators, the campus supervisor, and the custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to De Anza Academy of Technology & the Arts. The day custodian is responsible for:

- Restrooms
- Cafeteria Setup/Cleanup
- General Cleaning and Custodial Functions

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Library
- Gym
- Office Areas
- Restrooms
- Routine Maintenance

The principal communicates with custodial staff as needed concerning maintenance and school safety issues.

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, teachers, one campus supervisor, a counselor, and administrators patrol the campus, entrance areas, and designated common areas. Two counselors, three administrators, three teachers and the campus supervisor monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed two counselors, campus supervisors, teachers, and three administrators monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

De Anza Academy of Technology & the Arts is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for De Anza Academy of Technology & the Arts in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in November 2018.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

## Facilities Inspections

The district's maintenance department inspects De Anza Academy of Technology & the Arts on an annual basis in accordance with Education Code §17592.72(c)(1). De Anza Academy of Technology & the Arts uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 3, 2019. During fiscal year 2018-19, all restrooms were fully functional and available for student use at the time of the inspection.

## CLASSROOM ENVIRONMENT

### Positive Behavior & Climate for Learning

De Anza Academy of Technology & the Arts' positive behavior policies are based upon a schoolwide positive behavior, CHAMPS and Restorative Justice approaches, which are used as guides to develop school expectations, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. At the beginning of each semester, administrators lead an assembly to reinforce bully prevention strategies, and behavior expectations. On an as needed basis, administrators visit homeroom classes to address unacceptable trends in behavior. De Anza Academy of Technology & the Arts employs CHAMPS, a positive climate support program focused on improving classroom behavior, establishing clear behavior expectations,

reducing misbehavior, motivating students to put forth their best effort, increasing academic engagement, and teaching students to behave respectfully and to value diversity.

During the 2019-20 school year, De Anza Academy of Technology & the Arts will be trained on Social Emotional Learning and Restorative Justice Practices and will be implementing these schoolwide.

### Class Size

The Average Class Size and Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Average Class Size and Class Size Distribution

\*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.

## CURRICULUM & INSTRUCTION

### Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

Ventura Unified School District is currently piloting new Science textbooks and anticipates adopting new curriculum by the 2020-21 school year. In order to meet State

requirements, the current textbooks are being supplemented with NGSS-aligned bridge supplemental materials. History-Social Science curriculum is scheduled to be piloted in the 2020-2021 year with adoption and implementation for the 2021-2022 school year. Currently, supplemental bridge materials are being used to support the implementation of the new History-Social Science state framework.

On October 8, 2019, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #19-24 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### Staff Development

All professional development activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards

implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2017-18, 2018-19 and 2019-20 school years, De Anza Academy of Technology and the Arts had the opportunity to participate in districtwide staff development training focused on:

- History-Social Science
- Multi-Tiered Systems of Support (MTSS)
- Next Generation Science Standards
- School Safety
- Social Emotional Learning (SEL)
- Special Education
- Strategies for Formative Assessments
- Technology Training
- Universal Design for Learning

Supplemental site-based training takes place during faculty, grade level, and department meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2018-19 school year, De Anza Academy of Technology and the Arts staff development activities concentrated on:

- American School Counselor Association (ASCA) Model for School Counseling
- AVID
- Collaboration
- Common Core State Standards
- CHAMPS
- CUE
- ELL Standards & Frameworks
- English Language Learners Strategies

- ERWC
- Gifted Learners
- Growth Mindset
- Next Generation Science Standards
- Project Based Learning
- Response to Intervention
- Restorative Justice Trainings
- Sharing Best Practices
- Suicide Prevention
- Technology
- Visible Thinking Strategies

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and

Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

# DISTRICT EXPENDITURES

## Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2017-18 salary comparison data was the most recent data available at the time this report was published.)

## Expenditures Per Student

For the 2017-18 school year, Ventura Unified School District spent an average of \$10,967 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
