SCHOOL-LAW PARTNERSHIP
In a continuing effort to increase student safety and school security, the Ventura Unified School District and the Ventura Police Department combine resources to develop an intensive, pro-active safety program. This ongoing school-law partnership effort is part of Ventura’s Safe School/Healthy Student Initiative.

City of Ventura Police Department
Business-Non-Emergency Calls 339-4400
In case of emergency call 911

Why students should be in school on time every day?

- Daily punctual attendance is essential to academic success.
- All students must meet grade level standards to pass to the next level.

It is the law. All students are required to be in school until age 18 unless they have earned a diploma, GED or passed the California High School Proficiency Exam.
