

Enrollment Tips

Four Types of School Selection:

1. **Boundary school:** Your home address determines your boundary school. Go to http://bit.ly/myschool_locator for details.
2. **Schools of Choice** - Only available to parents and guardians who **currently reside** in the VUSD boundary or who lived in the boundary but were displaced by the Thomas Fire. To enter the lottery, a VUSD family must complete and submit the application during the “Schools of Choice” window: **January 15, 2021 9:00 am through January 29, 2021, 4:00pm**. Applications available on the VUSD website, www.venturausd.org.
3. **Intradistrict Transfers** - for families residing *within* the VUSD boundary and requesting their child attend a school other than their boundary/neighborhood school; based on space, and must be renewed yearly.
4. **Interdistrict Transfers** - for families *incoming* to VUSD from another district, based on space, renewed at each level (K-5, 6-8, 9-12).
