

Balboa Basketball Banner Ad Fundraiser

To raise money for the Balboa basketball program, boys and girls, we are selling 3' x 5' banner ad space for one full year for \$200 if we need to make the banner. It is \$150 if you already have one. The banners will be put up on the tennis court fence on the corner of Woodland and Brookshire. Not only will your banner be viewed by the daily Balboa and Mound traffic, it will also be seen by the usual neighborhood traffic as well as the many community members that come to Balboa for sports like AYSO and football and other events.

As well as having your banner put up, your business will be mentioned in our annual basketball program, on our website, in the PTA newsletters (3 each year), and the Balboa student newspapers (2 each year).

Participating in this win-win fundraiser will greatly help our basketball program which is completely on its own in regards to funding.

Contact Larry Anter for more information on participating in this fundraiser.
