

Dear Parents and Future Freshman Bulldogs,

Welcome to Buena High School! We hope that this message finds you all safe, healthy and well. We wish that we could meet with you in person this spring to welcome you to Buena High School! Nonetheless, we look forward to seeing all of our students in the fall and will be working together to finalize registration and schedules in the meantime.

Students who are coming from a VUSD middle school and live within Buena's boundary (or have been approved through School of Choice) are automatically enrolled at BHS for next year. If you have been accepted to Foothill Technology High School or plan on attending another high school next year, please disregard this letter.

Most Freshman students will be scheduled into 6 classes. These are:

1. English
2. Math
3. Science
4. College Career Seminar/Health
5. PE/Athletics/Marching Band
6. Elective

IMPORTANT NOTES:

- Counselors will place students into English, math, college career seminar/health and science classes based on district recommendations devised from an analysis of student grades, district benchmarks and teacher recommendations.
- For now, all future freshman students will also be enrolled into College Career Seminar and Health.
- If students take College Career/Health during summer school, they will have room to take an additional elective class in their schedule.
- If your student has an IEP, we will place them into core classes according to their IEP requirements.

BHS counselors are having a Freshman Orientation Night, January 19th, at 6 pm via zoom to explain all the necessary steps for registration and to ensure that all of your questions are answered. The Zoom link will be sent out via email January 18th. It is very important for you and your student to attend this meeting!

We thank you for your patience during these challenging times. If you have any questions or concerns, please do not hesitate to contact us. Stay safe and well!

Sincerely,
Your BHS Counselors
