Child Development Programs

Jumpstart State Preschool  
"Building Young Lives with Their Futures in Mind"

Dear Prospective Jumpstart State Preschool Families:

Welcome to the 2023/2024 school year. We are looking forward to providing you and your child with an enriching preschool experience. Our goal as early educators is to build a partnership between school and home. We are excited about getting to know your child and are confident that their preschool experience will be an enjoyable one. Please take a few minutes to fill out the attached documents and return them to your Jumpstart of interest. If you have any further questions, you may contact the Child Development Office at (805) 641-5000, ext. 1029 or 1031, or your Jumpstart location (see-attached list for locations). We are looking forward to the school year and preparing your child for a successful entry into TK or Kindergarten in the future.

Cordially,  
Cara Dallamora  
Early Childhood Education Coordinator  
Child Development Program
